To Whom It May Concern,

Subject: Authorization for Capstone Project's Data Collection and Analysis

This letter serves as formal authorization granted by Khushboo Textile to Mr. Avijeet Palit, a student of IIT Madras (ID: 21F1005675), to collect and analyze data from Khushboo Textile for his Capstone Project in the Business Data Management course.

In order to achieve the objectives outlined in the proposal, Mr. Avijeet Palit requires access to relevant data, including business operation and other information, ground surveys, inventory and financial audit reports, and any other pertinent information related to Khushboo Textile's operations.

We, the undersigned, hereby authorize Mr. Avijeet Palit to collect, analyze, and utilize the data provided by Khushboo Textile exclusively for academic purposes related to the aforementioned Capstone Project. It is explicitly understood that the data shared will not be disclosed to any third party and will be used solely for academic research and analysis.

We trust that Mr. Avijeet Palit will handle the information with utmost confidentiality and professionalism. We appreciate his efforts in contributing toward solving hurdles in our business development and recommending ways in managing the current crisis.

We wish him good luck in the successful completion of his Capstone Project.

Regards,
